THE FOOD

AWARD WINNING CHEF AND CHOICE OF DINING

CHEF EREN GURYEL

Originally from New York, Chef Eren Guryel grew up in his family's log cabin steak house in Quechee, Vermont, which was on the way to the largest ski resort in the eastern United States, Killington. Initially choosing to study Aeronautical Engineering, he found himself working the summers in kitchens which fueled his desire to pursue a professional chef career instead of designing aircrafts. He made the switch to the prestigious Culinary Institute of America in Hyde Park New York, where he earned an associate's degree in culinary arts.

Eren has a philosophy of keeping it authentic, fresh, simple, seasonal, using only the best ingredients, and pairs it with his passion for cooking. "I enjoy being hospitable and making people happy" says Eren. "My parents were always great hosts and when we would have guests come to our restaurant for dinner their cooking paired with their hospitality was almost as if it were a formula for magic."

DINING

The Four Seasons award-winning chefs and service-oriented banquet staff will be coordinating our outstanding gourmet cuisine under OK Glatt Kosher supervision. Whether it's in the dining rooms, tea rooms, or our slope side Chol Hamo'ed BBQ'a, a large variety of impressive delights awaits you. We are pleased to introduce a new dining experience this year in the Sidecut Restaurant. On select afternoons and evenings the Sidecut restaurant will be open by reservation for a Dairy dining experience. We have also upgraded our on-mountain dining option during Chol Hamo'ed to give you the ultimate skiing experience. Our new lobby espresso bar will feature premium coffee and an assortment of grab-and-go items.

The entire Resort will be under the supervision of the **OK hashgacha** with **Rabbi Leibel Miller** returning for his third year as the Rav Hamachshir.
